

Oral Sedation Acknowledgement

Your doctor has prescribed a sedative medication for you in order to assist you in completing your MRI study. Once you have completed all necessary MRI consents and paperwork and have returned them to a North Puget Sound MRI staff member, please take your prescribed medication as directed. Please be aware that North Puget Sound MRI will reschedule your appointment if you have already taken the medication before you check in. If you do not have a driver present at the time of check in, you will not be permitted to take your medication prior to your MRI exam.

Please review the instructions below and complete the consent that follows.

- After your MRI, have your driver take you home. Do not use public transportation. Rest for the remainder of the day.
- You must not drive or operate machinery for 24 hours, as dizziness/drowsiness may persist.
- Refrain from drinking alcohol for 24 hours after your MRI appointment.

Patient Name: _____ DOB: _____

I acknowledge that I have read and understand the information above, and that I have not yet taken the sedative medication. I do have a driver present who will take me home after my appointment.

Patient Signature: _____ Date/Time: _____
